

for Michael McGrath  
**Grasshoppers**

*Grasshoppers are some of the best hoppers in the world. If they were as big as kangaroos, they would be able to jump farther than the length of two football fields!*

Mary Leaf

Hopping along (♩ = ca. 132)

Grass-hop - pers just love to hop; once they start they just can't stop!

4 3

On my clothes and on my toes, some-times e - ven on my nose!

Teacher Duet: (Student plays 1 octave higher)

*mf*
