The piano accompaniments in this book are intended to support and supplement string students using A Scale in Time. While A Scale in Time can be used with a string orchestra, it is possible to assign parts that best fit your situation, whether group or studio instruction.

These accompaniments are available as a free download from www.fjhmusic.com. Permission has been granted to print and distribute material from only the piano accompaniment book for your class. All other uses require express written permission from The FJH Music Company Inc.
